

# Statement of Compliance

In accordance with the Product Security and Telecommunications Infrastructure Act 2022 (PSTI Act) and the Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023

## 1. Product Identification

Product Name: "Amp 240 S"

Model Identifier(s): "CONNECTED CLASSIC AMP 240 S"

Product Type: Connected Audio Speaker

Software Version: 25.01.08

## 2. Manufacturer Information

Company Name: Cabasse

Address: 210 Rue René Descartes, 29280 Plouzané, France

Contact Email for Compliance Inquiries: [security@cabasse.com](mailto:security@cabasse.com)

Website: <https://www.cabasse.com>

## 3. Security Compliance Declaration

Cabasse hereby declares that the product identified above is in conformity with the following applicable security requirements under the PSTI Regulations 2023:

- Default Passwords: AMP 240 S does not use universal default passwords. All user-facing accounts, if applicable, require the user to set unique credentials on first use.
- Information on Security Updates: Cabasse provides clear information to users on the product's security update policy, including the duration for which updates will be provided.
- Vulnerability Disclosure Policy: Cabasse maintains a published vulnerability disclosure policy allowing security researchers and users to report security issues. The policy is accessible at: <https://www.cabasse.com/security>

#### **4. Update Support Period**

AMP 240 S will receive security updates until at least 5 years from the date of manufacture.  
Details are available on our website.

#### **5. Signature of Authorized Representative**

I declare that the information in this Statement of Compliance is true and correct to the best of my knowledge and belief.
